

Computer help

Don't struggle alone!

Coffee mornings

At each U3A Coffee Morning, members of our computer support team are almost always on hand ready to help you with problems you have found with Tablets, iPads, laptops or smart phones. Bring your device with you and we will try and help.

Details of the dates and venues of the coffee mornings can be found [here](#).

The Woodhatch Centre, Whitebeam Drive, Reigate RH2 7LS

At the Woodhatch Community Centre, there are volunteers who will help with computer support and iPad support. They don't offer structured classes, just helping people learn how to get the most out of their devices.

Sessions need to be booked in advance and cost £2.

- Telephone: [01737 221030](tel:01737221030)

Surrey Libraries

The libraries in Surrey offer a range of computer support and details can be found at the County Council website.

In particular, you might be interested making an appointment with one of their friendly **Digital Buddies**, who can offer free one to one support if you have specific computer problems. Some libraries also have support for people with a variety of disabilities. To find out more about library computer services visit the website [here](#).

There are also links to other free basic IT courses such as [Learn My Way](#).
